## Master Programme: Admission Information for 2021/22

Admittance to the **master studies of TransArts** requires **evidence of completed, subject-relevant studies to the extent of at least 180 ETCS, or completed artistic master studies extending to at least 120 ECTS, at an art university or domestic/foreign tertiary educational institution of equal standing.** Admittance further requires **evidence of artistic suitability as part of the entrance examination.**

The entrance examination consists of 2 parts and is used to assess exceptional visual talent and the ability to combine this talent with other creative or cognitive skills. The objective of the master programme is to further enhance the ability to successfully develop and employ investigative-innovative artistic processes and to establish an independent artistic position.

1st part	Assessment of the submitted <b>portfolio and supporting documents</b>
2nd part	<b>Practical work</b> on a posed topic, personal <b>interview</b>

Upon **registration**, the following must be submitted online:

- documentation of the graduation project from prior studies,
- a portfolio of representative artistic work samples,
- a curriculum vitae, and
- a letter of motivation in which personal expectations for the programme are explained.

### Portfolio

- the portfolio should document the current state of your artistic approach in the medium of your choice. There are no boundaries to the scope or topics of the work, whereby the aspect of topicality in connection with contemporary art and its discourse is an important criteria
- content (e.g.):
  - project ideas, visualised concepts, drawings, photography, videos, documentation of three-dimensional work, documentation of projects in performing arts, architecture, visual art, etc.
  - a comprehensive concept for a semester project with sketches, designs, models, or other visualisations as well as a supporting text
